

Providing a safe space for refugees and asylum seekers in Swindon

We truly are a 'Harbour' – a place where people from all walks of life, from all over the world, can meet, make friends, get support and advice.

“There are no such thing as strangers, only friends we have not yet met.”

And our wonderful volunteers and Friends of Harbour

Welcome to The Harbour Project!

We aid refugees and asylum seekers across Swindon.

We give friendship, advice and hope.

Who we are

Volunteer-run and led by a small team of paid staff, we welcome over 400 people through our doors each year from more than 50 countries.

Many of our volunteers are former asylum seekers or have lived abroad. They know how important a friendly face is in a place far from home.

You can be assured of a warm welcome and friendly, informal advice and support. Most of all, we hope that you will make friends and become part of the Harbour family and Swindon community.

"When I came here I was without family and friends; homesick. But I found you like my family... I will never forget you all my life, because nobody can forget his father and mother and you are like my parents."

I need immigration advice; can you help?

Sadly not; the CAB at the Swindon Advice & Support Centre has a specialist immigration advisor.

How you can help

Like what you see? Why not pop in? We are always looking for volunteers to lead activities.

Email volunteer@harbourproject.org.uk to find out more.

No time to help? Could you fundraise for us? We are a small charity with a very big heart, always wanting to do more for our visitors – some of the most marginalised and misunderstood in our community.

Call us on 01793 611 682 or email fun@harbourproject.org.uk to discuss.

Say 'hello'!
