

Autumn is upon us...

Welcome to Harbour's Newsletter!

Upcoming events - mark your calendars!

The Swindon 1/2 marathon is fast approaching and we are so pleased that six runners will be representing Harbour on Sunday 28th September. There is still time to donate to their fundraising pages, and your support on the day will give them the push that they need!

We've also got two big fundraising events to look forward to. The Harbour Project Quiz Night is back on Friday 24th October at 7:00pm. Hosted at Broadgreen Community Centre, this is the long-awaited return of the event and we hope to see as many of you there as possible. Tickets are £20 and are on sale [HERE](#) - so get your team together and secure your spot now!

Our legendary Curry Night will also be back this year on Monday 24th November. It is consistently one of the best nights of the year and will be a great way to bring 2025 to a close. Tickets will be going on sale soon so watch this space!

Summer 2025

It's been a busy summer at Harbour, which has seen BBQs at Lydiard Park, trips to Kelmscott Manor, and even hosting a Parliamentary Drop-In at Westminster alongside Swindon City of Sanctuary! We have also had to endure growing anti-immigrant sentiments which has been dominating the

headlines. Whilst this is concerning and something that we will continue to monitor, the solidarity and community spirit we see every day has never wavered. We are so grateful for the ongoing support and compassion that is shown towards our Visitors. This was particularly true during our 25 Year Celebration event in August, which was a joyous occasion where we were able to reflect on our journey so far, and look ahead to a brighter future.

September brought with it a wonderful night at The Wyvern Theatre to watch Ivo Graham (and friends) host an evening of comedy, raising funds for Harbour. There was so much goodwill and generosity from the sell-out crowd, making it the most successful single fundraising event we've ever had!

Fundraising efforts continue, and we have had some success over the summer... We've been awarded a £1,500 grant from Fulmer Charitable Trust towards our football training, a £1,000 grant from Austin and Hope Pilkington Trust towards our Steps2Work Programme as well as NHS funding towards a Health Inequalities project we are running.

These vital grants will enable us to continue and expand our services.
