## Chairman's Report

Like the rest of society, the last year saw the gradual emergence of the Harbour Project from the restrictions imposed upon it by the COVID pandemic. Gradually staff returned on-site to meet clients (who we refer to as Visitors) at pre-arranged appointments to help deal with individual issues. Social aspects of our work restarted in May along with face-to-face English classes.

The organisation's effectiveness was evaluated by an independent agency (led by RMD Consulting). This was funded by monies from the National Lottery as part of their overall grant to us. The result was very positive with the evaluation reporting high satisfaction levels amongst staff, volunteers and Visitors with the services that we offer. The final report suggested that alongside our other services the Trustees should consider enhanced ways of building employability skills, volunteering and education (our Steps2Work programme) as well as placing greater emphasis on dealing with mental health issues and doing more to promote awareness of cultural norms in British society. The Trustees unanimously agreed to embrace these recommendations and to update our strategic direction. Staff and volunteer responsibilities and activities have shifted to incorporate these demands.

As the year drew to a close we turned our attention to the fact that monies from two of our major funders, namely the National Lottery Community Fund and Swindon Borough Council were due to cease in the coming year. Hence, the Trustees and the Chief Executive started to explore the possibility of renewed funding from those organisations as well as exploring alternative funders and sources of income.

A further challenge for us was the Local Authority's agreement to increase the number of asylum seekers and refugees accommodated in the town. The number of properties made available for asylum seekers was increased. In August we welcomed refugees from Afghanistan who were placed in hotels. This commanded substantial press attention and the people concerned needed a wide range of support. Then in the autumn, two local hotels were designated as "initial accommodation" for male asylum seekers. Both these developments greatly increased demands for our services, particularly for English classes. Finally, the outbreak of war in Ukraine in February led to requests from host families for help with issues such as applying for Universal Credit and school places.

The Designated Reserves set out on Page 18 of this report are specifically put aside for investment in premises. The unsuitability of our current building becomes ever more apparent each day. At the time of writing this report the Charity has identified a new location and the Trustees are confident that the level of Designated Reserves is sufficient to cover both the cost of the move and increases in running costs. The Trustees will review the level of Reserves once the move is completed.

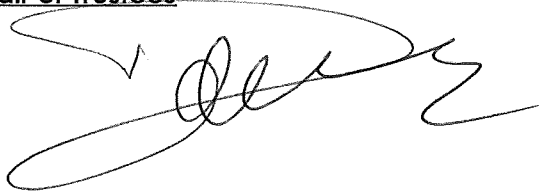

Last year saw the introduction of the Borders and Immigration Bill into Parliament. This has raised considerable concerns with us for the well-being of our Visitors. We have made our disquiet known to our local MPs.

Amongst other news, our CEO, Claire Garrett, was appointed a Deputy Lieutenant for Wiltshire. This acknowledges Claire's contribution to society and local community and it is a matter of great pride for the organisation that she leads.

The past year has presented the Harbour Project with substantial challenges but we are successfully emerging from the grim pandemic years, in a position of strength with dedicated staff, committed and enthusiastic volunteers and a fully engaged Board of Trustees. As has already been stated, we have seen a marked increase in the number of people needing our help and there is no reason to believe that this trend will not continue. But we have faced many challenges over the twenty years of our existence and there is no doubt that we will continue to respond to what fate throws at us.

## Trustees' Report

The Trustees present their report with the financial statements for the year ended 31<sup>st</sup> March 2022.

### Charitable Objects

1. To provide relief for asylum seekers and refugees and their dependents who are in conditions of hardship of distress
2. To preserve and protect the physical and mental health of such people
3. To provide facilities for such people for education, recreation or other leisure time occupation with the object of improving their conditions of life and assisting their inclusion into the wider community – particularly, but not exclusively, by the provision of a drop-in centre.

## Organisational Structure

The charity is a CIO and is governed by a board of trustees.

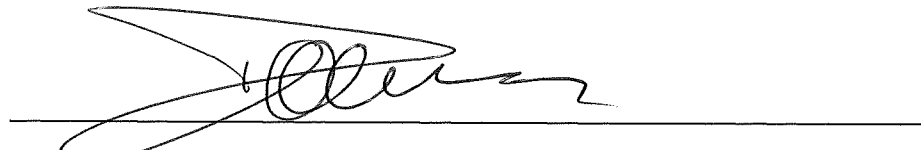

## Reserves Policy

The trustees' policy is to hold reserves at an appropriate level to continue core activities for a minimum of six months and a maximum of 12, to allow time for seeking new grant funding for staff posts and redundancy costs arising in the event of funding not being renewed.

## Risk

The Trustees give high priority to identifying and implementing effective arrangements to manage risk. A Risk Register has been established and approved by the Board of Trustees. It is kept under continual review by the Trustees and any changes of risk are reviewed at each Trustees meeting. Financial risks associated with reducing income streams are mitigated by an Income Generation Strategy that allows for diversification of funding and activities. Systems or procedures have been put in place to diminish risk, and these are periodically reviewed to ensure their timeliness and appropriateness.

## Independent Examiner's Report

I report on the accounts for the year ended 31<sup>st</sup> March 2022 set on pages 7 to 15 for The Harbour Project (registered charity number 1171368).

### Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act")

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) if the Act.

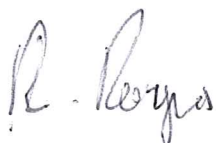

### Independent Examiner's Statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

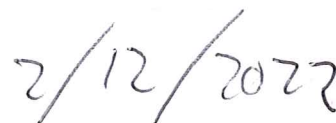

- The accounting records were not kept in accordance with section 130 of the Charities Act; or
- The accounts did not accord with the accounting records; or
- The accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the financial statements for the year ended 31st March 2022

### Accounting Policies

#### Basis of accounting

The financial statements have been prepared in accordance with applicable standards and the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP 2015) and the Charities Act 2011. The financial statements have been prepared on the accruals basis for the charity continuing as a going concern.

#### Incoming resources

Incoming resources are reported gross and are included in the statement of financial activities when the charity is entitled to the income and amount can be qualified with reasonable accuracy.

#### Grants receivable

Grants received prior to the financial year of their intended use are shown as deferred income and will be reported as income in the financial year of their use. All other grants are recognised when receivable.

#### Restricted funds

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor, when funds are raised for particular restricted purposes, or when restricted in their use by the Trustees

#### Designated funds

Funds set aside (from Unrestricted Funds) by the Trustees explicitly for new premises or improvement of existing premises. At any time, and subject to agreement by the Trustees, Designated Reserves can be re-allocated to Unrestricted Funds.

#### Unrestricted funds

Are donations and other income received or generated to further any of the charity's purposes, spent or applied at the discretion of the trustees, and are available for use as general funds at the discretion of the Trustees.

#### Governance and administration costs

Governance and administration costs of the charity relate to the costs of running the charity and includes any costs that cannot be specifically identified to direct charitable activities.

### **Depreciation of tangible assets**

Tangible assets for use by the charity are stated at cost less depreciation.

Depreciation is charged at rates calculated to write off the cost over their expected useful lives on the following basis:

Office and other fixed equipment, at or greater than a purchase price of £500, depreciated at 25 % on a straight line basis.
